Adequate conditions	The normal temperature is about 5°C - 35°C and humid is 40% -60%.

Technical characteristics MCUT-3508:

Blades in a pack	50 pcs.
Material	Stainless Steel
Thickness x Width x Length	0,254 x 8 x 80 mm
Edge angle	35º
Blade hardness	600 Vickers
Edge width	20 µm
Allowable edge blunting	± 1º

Technical characteristics MCUT-3514:

Blades in a pack	50 pcs.
Material	Stainless Steel
Thickness x Width x Length	0,317 x 14 x 80 mm
Edge angle	35º
Blade hardness	600 Vickers
Edge width	20 µm
Allowable edge blunting	± 1º
